

Dear Investors,

It is my pleasure to invite you to Invest Korea Week (IKW) 2017, to be held on November 7-9 in Seoul.

Hosted by the Ministry of Trade, Industry and Energy (MOTIE) and organized by Invest KOREA (IK), IKW proudly stands as Korea's largest international promotion event. This annual event provides a platform for participants to learn more about investment opportunities in Korea. It will also bring together global investors, Korean entrepreneurs and policymakers from central and local governments.

As the world braces for a technological revolution known as Industry 4.0, IK is making sure that foreign investors stay up to date on the latest shifts in Korea's economic climate. As such, this year's IKW will take place under the theme, 'FDI's impact on job creation and the growth of Industry 4.0'. The event will consist of a variety of programs like investment forums, one-on-one meetings, industrial site visits and networking events. Most notably, we are proud to announce IKW's job fair, which will link promising Korean talent to foreign businesses. I am confident that all participants will find IK's programs to be both engaging and informative.

Through events like IKW, we will continue to strengthen Korea's ties with the rest of the world. I sincerely thank you for your interest in IKW 2017 and look forward to seeing you in November.

Sincerely,

A handwritten signature in black ink, appearing to read "Yong Kook Kim".

Yong Kook Kim

Head of Invest KOREA
