

AUSTRALIA-KOREA RELATIONS:

The implications of the Political Economy of Northeast Asia

The Australia-Korea Business Council invites you to join our event to hear from Professor You-il Lee from the University of South Australia about the political economy of Northeast Asia and its implications on the Australia-Korea relationship.

Q+A session will follow the presentation.

—

Dr You-il Lee is Associate Professor of International Business in the School of Management, University of South Australia and Deputy Director of the Australian Centre for Asian Business leading the research on political economic dynamics of globalisation in Asia.
